Reproductions of sternboards of Mattapoisett whalers and giant scrimshaw completed the most attractive nautical atmosphere. Even the tickets fitted into the scheme. The tickets were whale teeth decorated with scrimshaw.

Art Perry and his orchestra occupied the poop deck and performed with a will throughout the entire evening.

A grand march was held which ran completely through the Shining Tides and a hundred yard circle in the yard. Costumes were judged by Mrs. Richard Chase, Allen Sherman and Merrill B. Walker.

First prize was won by Mr. and Mrs. Murray DeCoffe who arrived in a horse drawn wagon and represented a hillbilly and bride complete with sneakers. Second prize was won by Mr. and Mrs. George Henshaw who came as a couple of crabs. A sheik and his dancing girl, Mr. and Mrs. Chester Berg, were awarded third prize. The danc-

Why a Gant shirt?

Because a Gant shirt is more than something to hang a tie on. It's a stimulant to make you feel good, look good throughout the day.
Because a Gant shirt—from its softly flared button-down collar to its trim Hugger body—is tailored with singular precision.
Because the fabrics in Gant shirts have élan in a gentlemanly manner; are exclusive and wear superbly.
This is why we carry a complete selection of Gant shirts. It's also why men of impeccable taste come to us for Gant.

BANDSTAND FUND CONTINUES TO MOUNT

The Mattapoisett Bandstand Committee notes with interest that another group of children have turned in, this past week, the receipts of their cooperative effort to add to the fund. The "Three-Penny Carnival", run by 7 town children and held on the Layport property on Ship Street, netted $31.22.

Included in the past week's contribution total was the sum of $15.50, the amount collected at a recent "blooper" baseball game which is sponsored by the Mattapoisett Athletic and Sport Committee. Also received were several generous contribu-

The summer recess having ended, the committee hopes club business matters will include consideration of the appeal to join the community effort, in progress, to improve Shipyard Park's appearance with a fine looking bandstand ------ one of which we can all be proud.

Rocks Aplenty

Mattapoisett work crews under Highway Surveyor Manuel Nunes are now working on the Park Street drain. The photo above is a rather good example of the difficulties of exact estimating on underground work. This string of boulders was unearthed in a hundred yard stretch. Work is now proceeding up the street in a lot better terrain.

NEW SPEED LIMITS

At the invitation of Mattapoisett Selectmen, State Department of Public Works officials have made a study of the following roads and streets: Marion Road, Prospect Road, North Street, Aucoot Road and Mattapoisett Neck Road. They have established a set of speed zones for these roads. New speed signs will be made and posted by the Highway Surveyor in accordance with these State approved regulations.

A successful Penny Sale was held by the new Home and Community Service chairman, Mrs. Olive Gifford.

The evening closed with Mrs. Cora Smith serving her usual delicious individual decorated cakes and punch.

The Worthy Lecturer announced for the next meeting's program on October 1st that there will be a paper bag auction to benefit her program fund. Each member is asked to bring a paper bag in which will be an article of some kind such as a knick-knack, something in the grocery line or whatever seems interesting. Bags are to be sealed. The auctioneer will be Mark Harris.

Two people - one a man who is young at heart, and a young fellow (teenager) - have been asked to write a paper on their version of the mini skirt. Members of the Grange will want to be present to hear about this.

Another event by the Home and Community Service Committee is plans for an outdoor rummage sale to be held on the Grange grounds Friday, October 9th. In case of

No one knows the silent heartaches,
Only those who have loved can tell
The grief we bear in silence
For the one we loved so well.

DEPOSIT LIMIT
INCREASED!

$40,000

Just a few months ago, the deposit limit under Massachusetts law was $36,000. Now it's $40,000. Savers never had it so good!

Above and beyond that figure is the accumulation of your dividends, with all savings insured in full.

It's time you started saving at Fairhaven Savings should you not be doing so now. Another big development recently was daily compounding of interest, payable monthly, on all accounts.
